

Wimbledon Park Primary offers a wraparound service for breakfast and after school club.

Breakfast Club

Early morning sanctuaries can play an important role in ensuring children are prepared for the day ahead, promote health and wellbeing, and provide a space for before school social and educational activities.

Breakfast Club is held in the Downey Hall and children can be dropped off from 07:30. Children are provided with a healthy, nutritious breakfast and supervision of activities until school opens at 08:45.

The cost per day is £7.50.

Children will enter via the main gate on Havana Road and will be met in the playground by a club member with access to registers to sign them in.

All children will be at their classes at 8:45am to join in with early work and to start their day.

After School Club

We recognise that mixing with existing friends and engaging with new friends, outside of the classroom environment, helps children to share and appreciate each other's talents and also helps strengthen confidence and independence. Our aim is to provide a safe, happy and enjoyable environment for pupils after school. The children's happiness, well-being and safety is paramount. With this in mind we ensure our resources are age appropriate and relevant.

We have 2 bases for after School Club:

The Lower Club is based in our Nursery and is available for pupils in Reception and Yr1.

The Upper Club is based in the Downey Hall and is available for pupils in Y2 – Y6.

Both spaces provide plenty of room for a variety of activities and easy access to the playgrounds for outdoor fun.

Children are brought over to the club at the end of their school day by their teacher. All pupils attending after school will wear bright high-viz vests so that they can be easily seen.

Session times & charges

1515 - 1630 - £8.00

1630 - 1815 - £10.00

1515 – 18:15 - discounted rate of £14.50

Activities

There will be a range of supervised leisure and learning activities available for the children, which are age-appropriate and are rotated every week. The activities can include a combination of:

- a colouring-in area,
- brain games,
- book corner,
- art & crafts,
- play dough,
- swingball, table tennis, badminton
- lego and construction toys
- home learning
- themed weeks and links to the school curriculum

Food

We will offer a two-week cycle menu which will be revised every six months after the Autumn half term break, and the start of the Summer term. We will provide children with a nutritious, healthy, light meal if they are attending club at 5pm.

If a child has a special dietary requirement we will make every effort to accommodate this and specific needs must be disclosed when booking.

Safety

All club staff have enhanced DBS clearance, are trained in Safeguarding and First Aid and have completed the Food Hygiene Course, if they are responsible for preparing food. Our core staff are well known to the school community as they have worked at WPPS for over a combined 40 years. A limit is placed on the number of children attending the club each day to ensure safety and staff to pupil ratios maintained.

How to Book

All bookings and payments will be completed online (iPal), for breakfast and after school club bookings. All parents wishing to use these services need to register on the ipal website. Please ensure that all information is included, such as medical, special dietary and emergency contact forms. The system is GDPR compliant and encrypted.
